-------	-------

Bowl dimension	710 x 400 mm
----------------	--------------

Number of bowls	1 bowl
-----------------	--------

Waste fitting	Drain with automatic PM control
---------------	---------------------------------

FEATURES

Automatic waste fitting	The waste-fitting with round remote knob is supplied; a practical accessory which makes it unnecessary to get wet in order to drain the water from the bowl.
-------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------

Basket 3,5" waste fitting	The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.
---------------------------	--------------------------------------------------------------------------------------------------------------------------

Deep bowls	This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capieny and praticity in all the washing operations.
------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------

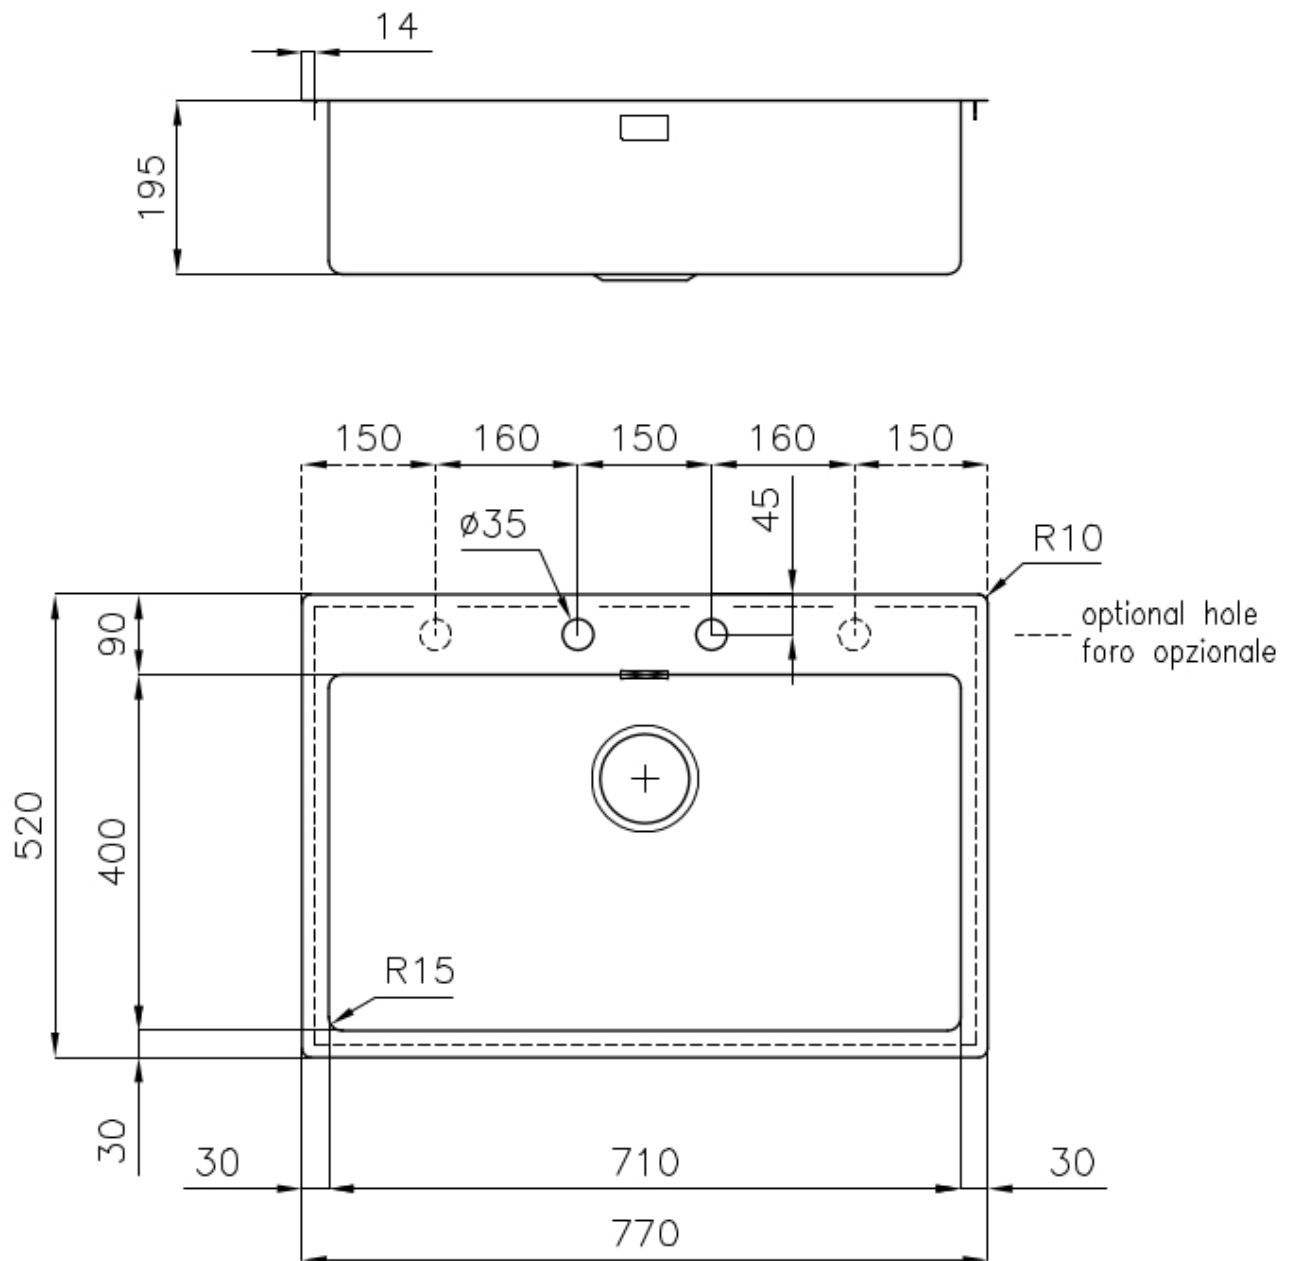

Double mixer hole	The large tap counter is already fitted with a series of 2 tap holes. In the second hole it is possible to install the remote control of the automatic drain or, alternatively, a practical soap dispenser.
-------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

High thickness	1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.
----------------	---------------------------------------------------------------------------------------------------

Perimetral overflow	The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.
---------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Small radius	Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme praticity.
--------------	-----------------------------------------------------------------------------------------------------------------------------------------
