

OPERA H25 GUN METAL

Kitchen Sinks

Code: N625 F06

DETAILS

Coloring	Gun Metal
----------	-----------

Edge/Installation Type	Rim h25 mm
------------------------	------------

Material	AISI 304 stainless steel
----------	--------------------------

Texture	Brushed in line
---------	-----------------

Base	90 cm
------	-------

Dimensions	880 x 518 mm
------------	--------------

Standard fittings	Fixing hooks, gasket, drain, overflow and siphon, boxed packing
-------------------	---

Mixer holes	2 standard holes - 3rd hole on request
-------------	--

Built-in hole	View technical data sheet
---------------	---------------------------

Drainer	No
---------	----

Number of bowls	1 bowl
-----------------	--------

Waste fitting	3,5" drain
---------------	------------

EQUIPMENT

1 x Space Push automatic waste fitting 8407 121

FEATURES

Deep bowls	This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capieny and practicity in all the washing operations.
------------	--

High thickness	1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.
----------------	---

Perimetral overflow	The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.
---------------------	---

Small radius	Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicity.
--------------	--

Space waste fitting	The elegant SPACE steel cap closes the drain and leaves no visible residues collected in the basket below. Space also has a small footprint and allows the optimal use of the under-sink compartment.
---------------------	---
