---

## FEATURES

|                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|

---

|                |                                                                                                   |
|----------------|---------------------------------------------------------------------------------------------------|
| High thickness | 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability. |
|----------------|---------------------------------------------------------------------------------------------------|

---

|                     |                                                                                                                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Perimetral overflow | The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape. |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

---

|              |                                                                                                                                         |
|--------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Small radius | Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme praticity. |
|--------------|-----------------------------------------------------------------------------------------------------------------------------------------|

---

|         |                                                                                                                      |
|---------|----------------------------------------------------------------------------------------------------------------------|
| VINTAGE | The Vintage finish gives the product a long-lived and elegant look, creating a surface that does not fear scratches. |
|---------|----------------------------------------------------------------------------------------------------------------------|
