

## UNIKA 710 GOLD SOUS PLAN

Kitchen Sinks

Code: N157 S59

UNIKA BOWL 710x400 SOUSPLAN GOLD

### DETAILS

|          |      |
|----------|------|
| Coloring | Gold |
|----------|------|

|                        |            |
|------------------------|------------|
| Edge/Installation Type | Undermount |
|------------------------|------------|

|        |     |
|--------|-----|
| Finish | PVD |
|--------|-----|

|          |                          |
|----------|--------------------------|
| Material | AISI 304 stainless steel |
|----------|--------------------------|

|         |                |
|---------|----------------|
| Texture | Foster brushed |
|---------|----------------|

|      |       |
|------|-------|
| Base | 80 cm |
|------|-------|

|            |              |
|------------|--------------|
| Dimensions | 750 x 440 mm |
|------------|--------------|

|                   |                                                                 |
|-------------------|-----------------------------------------------------------------|
| Standard fittings | Fixing hooks, gasket, drain, overflow and siphon, boxed packing |
|-------------------|-----------------------------------------------------------------|

|             |                   |
|-------------|-------------------|
| Mixer holes | No standard holes |
|-------------|-------------------|

|               |                                           |
|---------------|-------------------------------------------|
| Built-in hole | <a href="#">View technical data sheet</a> |
|---------------|-------------------------------------------|

|         |    |
|---------|----|
| Drainer | No |
|---------|----|

|       |       |
|-------|-------|
| Width | 75 cm |
|-------|-------|

|                |              |
|----------------|--------------|
| Bowl dimension | 710 x 400 mm |
|----------------|--------------|

|                 |        |
|-----------------|--------|
| Number of bowls | 1 bowl |
|-----------------|--------|

|               |            |
|---------------|------------|
| Waste fitting | 3,5" drain |
|---------------|------------|

## FEATURES

|                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|

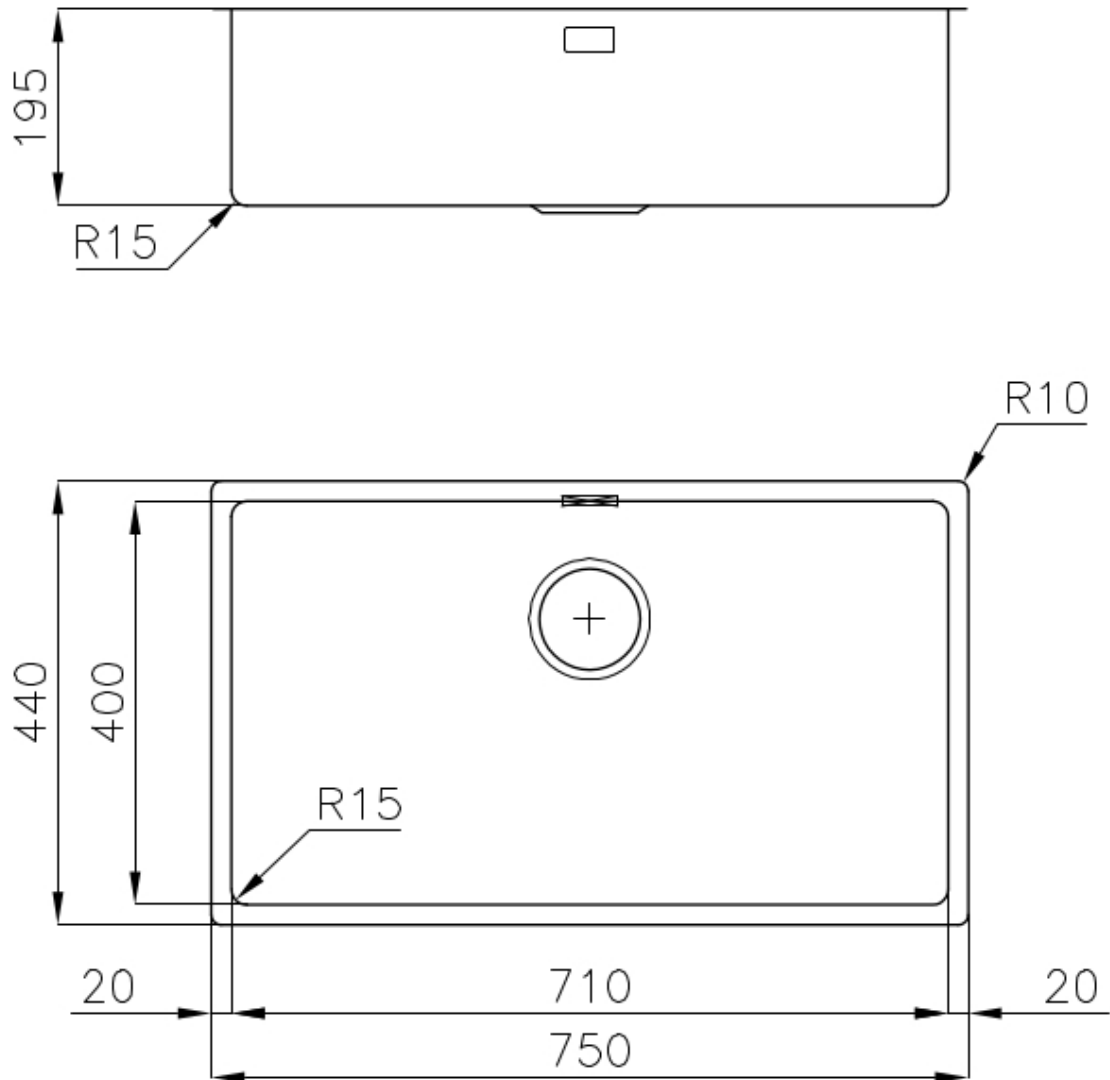

|      |                                                                                                                                                                                                                                                                                                                                              |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gold | The Gold finish is obtained by treating the steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement in the mechanical properties of the steel that is more resistant to shocks and scratches. |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

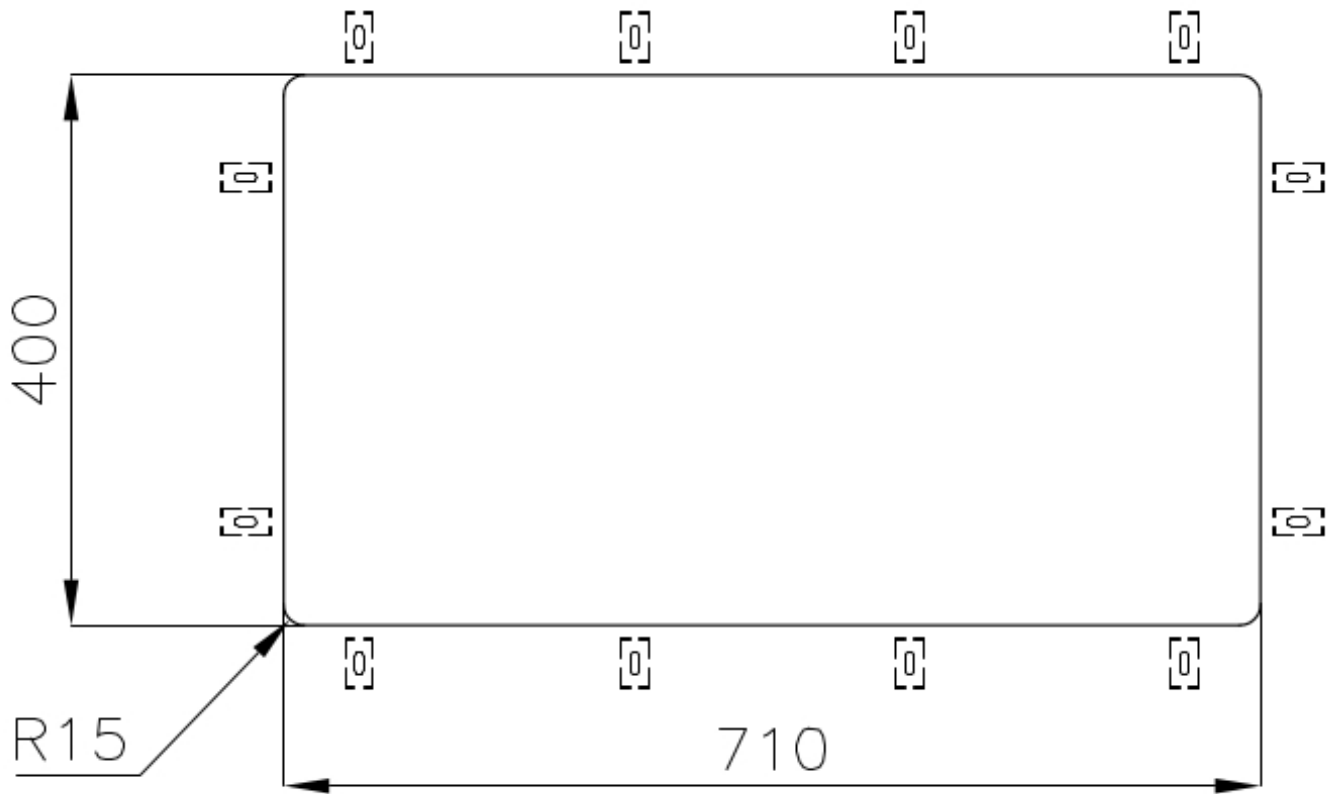

|                |                                                                                                   |
|----------------|---------------------------------------------------------------------------------------------------|
| High thickness | 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability. |
|----------------|---------------------------------------------------------------------------------------------------|

|                     |                                                                                                                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Perimetral overflow | The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape. |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|              |                                                                                                                                            |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Small radius | Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality. |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------|

## OPTIONAL ACCESSORIES

**CUVETTE PERFOREE INOX**

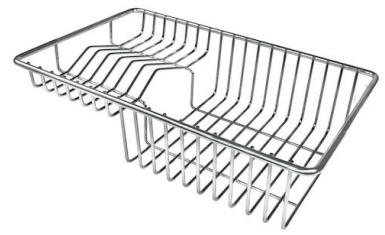

A154 F00

\* only in combination with the accessory  
A644 F04

**CUVETTE PLASTIQUE BLANCHE**

A153 A00

**GRILLE POR.ASSIETTES INOX  
mm214x379**

A100 C03

\* only in combination with the accessory  
A644 A01

**GRILLE PORTE-ASSIETTES INOX  
25x35**

A100 A54

\* only in combination with the accessory  
A644 F04

**PLANCHE DE DECOUPE CRYSTAL  
23x41 CM**

A631 C00

**PLANCHE DE DECOUPE DOUBLE  
HDPE**

A644 A01

**PLANCHE DE DECOUPE DOUBLE  
IROKO**

A644 F04

**PLANCHE DE DECOUPE HDPE  
27x42 CM**

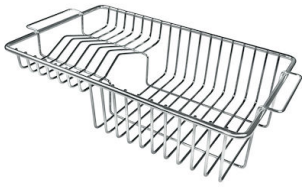

A657 F01

**CUVETTE INOX PERFOREE**

A151 F00

\* only in combination with the accessory  
A644 A01

**GRILLE PORTE-ASSIETTES INOX**  
**250x425**

A100 B01

**KIT RÂPES ET PLANCHE DE**  
**DECOUPE HDPE**

A159 A01

\* only in combination with the accessory  
A644 A01
