## FEATURES

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| COLLAPSIBLE BARREL | Feature that makes it possible to foresee the sink in front of a window, so as to enjoy the natural light. |
|--------------------|------------------------------------------------------------------------------------------------------------|

---

|                |                                                                                           |
|----------------|-------------------------------------------------------------------------------------------|
| Rotating angle | All the taps have a wide angle of rotation. Some models even permit a full 360° rotation. |
|----------------|-------------------------------------------------------------------------------------------|

---

|                     |                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------|
| Strengthening plate | Foster's mixer taps are equipped with the strengthening plate that offers perfect stability on any sink. |
|---------------------|----------------------------------------------------------------------------------------------------------|
